ADVERTISEMENT FOR THE POST OF GENERAL MANAGER-INFORMATION SECURITY IN KARMAYOGI BHARAT, NEW DELHI

Karmayogi Bharat is a Special Purpose Vehicle (SPV) set-up under Section 8 of the Companies Act, 2013 by Department of Personnel and Training as a 100% Government owned not-for-profit Company under National Programme for Civil Services Capacity Building (NPCSCB) – “Mission Karmayogi”.

The Company will be responsible for owning, managing, maintaining and improving the digital assets, i.e., iGOT-Karmayogi (Integrated Government Online Training) the digital/e-learning platform, including the IPR of all software, content, process etc. on behalf of Government with an annual subscription-based revenue model. iGOT Karmayogi is a comprehensive online platform that has resources for online, face-to-face and blended learning. The platform will be a one stop shop for all capacity development needs of the India’s civil services, providing them with resources for continuous-anytime-anyplace learning, a guided path for life-long learning with access to a vast repository of learning content, and insights on individual learning needs and outcomes.

The SPV will have the responsibility to create and operationalize the content marketplace and continuously evaluate its utilization and ensure that the appropriate changes are communicated to the right stakeholder. The SPV is a key pillar of the institutional framework of the Mission Karmayogi Programme which aims to create a competent civil service rooted in Indian ethos, with a shared understanding of India’s priorities, working in harmonization for effective and efficient public service delivery.

Envisioned as one of the largest capacity building initiatives in Government organizations anywhere in the world, Mission Karmayogi will initially cover about 33 lakh government officials at the Centre and will eventually aim to transform approximately 2 crore government officials across the Centre, the States and the local bodies.

- It will enable officials to pursue anytime-anyplace-any-device learning at their own convenience, using self-directed or guided learning paths, enabling continuous learning for all.
- It will provide officials with access to instant guidance at the point of need, through job specific learning resources and collaboration with officials who “have done it before”.
- It will empower an official with tools to take charge of one’s own professional journey, making officials accountable for their own career trajectory.
